

The site plan illustrates the layout of Tianjin Guoyao Packaging Co., Ltd. The main building is a large rectangular structure with a central courtyard. The building is surrounded by setbacks: 5.00m on the west side, 8.70m on the north side, and 5.00m on the east side. The building is situated adjacent to a 110kV power line and a 10kV power line. The site is bounded by a road to the west and a river to the south. The plan also shows the location of the company's entrance, the site's boundary lines, and the surrounding infrastructure, including a road and a river.
